Dear Mr. Krueger:

SUBJECT: Confirmation of Receipt of Closure Report  
Parkview Tower  
1601 Robert Bradby, Detroit, Michigan 48224  
Facility ID# 00042379  
Confirmed Release Numbers: C-0089-12  
DEQ Closure Report Receipt Date: October 22, 2012

Thank you for submitting the subject Closure Report to the Department of Environmental Quality (DEQ). This letter provides confirmation of receipt of the report by the DEQ on October 22, 2012, as required under Michigan's environmental law, Section 21312a(2) of Part 213, Leaking Underground Storage Tanks, of the Natural Resources and Environmental Protection Act, 1994 PA 451, as amended.

The DEQ, Remediation and Redevelopment Division (RRD) may audit this Closure Report to determine if the corrective actions implemented comply with Part 213 requirements to address unacceptable risks to the public health, safety, or welfare, or to the environment. The RRD has 90 days from the report receipt date to determine whether it will audit the report. The RRD will inform you of its intention to audit the closure report within seven days of the determination to audit.

Please note that if the DEQ notifies you of the intent to audit the report and does not complete the audit within 180 days of the report receipt date, or notify you of the audit results in writing within 14 days of completion of an audit, then in accordance with Part 213, the report will be considered approved. You may request written confirmation from the DEQ that the Closure Report is considered approved if the DEQ does not meet these audit times frames.

If you have any questions, please contact me.

Sincerely,

Gerald Tiernan, Program Manager  
Remediation and Redevelopment Division
